JOB HOLDER COMMENTS

“

“I love knowing how things works and building is one of them. TAFE SA was a great option for me because it is flexible, with learning online and face-to-face. When I finish my qualification I'd really like to work in the industry. My previous studies at University helped me but its really more hands-on at TAFE SA, as I found the lecturers have more experience about working in their field and I felt supported. For people interested in studying at TAFE SA I highly recommend Tonsley, it is a great establishment of how you can see tradies being taught from the ground up.”

Sarah Irwin
Certificate IV in Residential Drafting (CPP40121)
