## JOB HOLDER COMMENTS

“

“I have been studying my Diploma of Electrical Engineering through TAFE SA part-time whilst working full-time in the Australian offshore oil and gas industry as an Electro-Technical Officer, Unlimited / Marine Engineer Officer - Watch-keeper Unlimited. TAFE SA has provided the framework for me to advance my core skill-set, of Certificate III in Electrotechnology Electrician, whilst allowing me to fulfil my work endeavours. It is important to me to ensure that I remain current within the rapidly-changing industry.”

**Ryan Skene**

Diploma of Electrical Engineering (UEE50411)

## NETWORKING WITH INDUSTRY

Networking with industry provides you with opportunities to gain employment, advance your career and stay current with industry changes.

Conferences and workshops are an excellent way to introduce yourself to key industry contacts.

Follow these organisations on social media:

- > NECA SA/NT
- > Energy Networks Australia
- > Master Electricians Australia

Consider these opportunities to find employment:

- > Send your resume to relevant businesses in your local area
- > Look for employment opportunities advertised on
  - the TAFE SA Jobs Board
  - online employment websites like Seek
  - the job board on your local Regional Development Australia (RDA) website

## CAREER SUPPORT

**Not sure where to start?** TAFE SA's Student Services can provide you with a range of career planning support including:

- > career planning
- > write a winning resume
- > how to respond to selection criteria
- > cover letters that stand out
- > preparing for job interviews

**To find out more, or to book an appointment, visit TAFE SA's Career Support Page: Career Support ([tafesa.edu.au](https://tafesa.edu.au))**
