JOB HOLDER COMMENTS

“

It's really hands on experience to study at TAFE SA. Course materials are designed such a way easy to follow and learn. The course is updated with the current demand in the job market and assessments are designed with real environment issues.”

Md Moshir Rahman
Diploma of Information Technology

NETWORKING WITH INDUSTRY

Networking with industry provides you with opportunities to gain employment, advance your career and stay current with industry changes.

Conferences and workshops are an excellent way to introduce yourself to key industry contacts. Upcoming events include:

- > **SecTech Roadshow**
14th May 2024
Adelaide Showgrounds
- > **Innovate SA 2024**
Further information available [here](#).

Follow these organisations on social media:

- > Australian Computer Society (SA Branch)
- > Information Technology Professionals Association

Consider these opportunities to find employment:

- > Send your resume to relevant businesses in your local area
- > Look for employment opportunities advertised on
 - the TAFE SA Jobs Board
 - online employment websites like Seek
 - the job board on your local Regional Development Australia (RDA) website

CAREER SUPPORT

Not sure where to start? TAFE SA's Student Services can provide you with a range of career planning support including:

- > career planning
- > write a winning resume
- > how to respond to selection criteria
- > cover letters that stand out
- > preparing for job interviews

To find out more, or to book an appointment, visit TAFE SA's Career Support Page: Career Support (tafesa.edu.au)
