JOB HOLDER COMMENTS

“I thoroughly enjoyed the extensive hands-on experience in the TAFE SA laboratories – it was an amazing and memorable experience! I also appreciated the guidance and support provided by the motivated and friendly lecturers. I gained the essential skills required to enter a new industry and secure a permanent position within the Laboratory Technology field.”

Rosie Mercorella

Diploma of Laboratory Technology (MSL50122)

NETWORKING WITH INDUSTRY

Networking with industry provides you with opportunities to gain employment, advance your career and stay current with industry changes.

Conferences and workshops are an excellent way to introduce yourself to key industry contacts.

Follow these organisations on social media:

- > SAHMRI
- > Australian Institute of Medical & Clinical Scientists
- > SA Health

Consider these opportunities to find employment:

- > Send your resume to relevant businesses in your local area
- > Look for employment opportunities advertised on
 - the TAFE SA Jobs Board
 - online employment websites like Seek
 - the job board on your local Regional Development Australia (RDA) website

CAREER SUPPORT

Not sure where to start? TAFE SA's Student Services can provide you with a range of career planning support including:

- > career planning
- > write a winning resume
- > how to respond to selection criteria
- > cover letters that stand out
- > preparing for job interviews

To find out more, or to book an appointment, visit TAFE SA's Career Support Page: Career Support (tafesa.edu.au)
