JOB HOLDER COMMENTS

66

"I chose to study a Certificate III in Roof Plumbing because I love working with my hands and being able to build things. Studying at TAFE SA is amazing because the workshops are so big with new tools and you get to see what other trades get up to and it's very interesting. What I love about the course is the fact that we as students can go into the workshop and build and design whatever we like."

Trinity Ellacott
Certificate III in Roof Plumbing (CPC32620)

NETWORKING WITH INDUSTRY

Networking with industry provides you with opportunities to gain employment, advance your career and stay current with industry changes.

Conferences and workshops are an excellent way to introduce yourself to key industry contacts.

Upcoming events include:

- > **Master Builders SA Home Show**
5th – 7th July 2024
Adelaide Showground, Wayville SA 5034
- > **Bunnings Trade Expo 2024**
11th July 2024
Adelaide Showground, Wayville SA 5034

Follow these organisations on social media:

- > Plumbing Industry Association (SA)
- > Master Builders Association of South Australia Inc

Consider these opportunities to find employment:

- > Send your resume to relevant businesses in your local area
- > Look for employment opportunities advertised on
 - the TAFE SA Jobs Board
 - online employment websites like Seek
 - the job board on your local Regional Development Australia (RDA) website
