Or undertake a range of short courses to supplement your existing knowledge or continue upskilling.

Further information available on the TAFE SA website.

## JOB HOLDER COMMENTS

"I enjoyed going to classes, meeting my classmates and learning from my lecturers. The lecturers are all amazing and were able to share their experiences and knowledge in Allied Health. The work placement provided me with experience and skills to assist me in finding a job after my study."

**Veerasit Kanokratmanee**  
Certificate IV in Allied Health Assistance (HLT43015)

## NETWORKING WITH INDUSTRY

Networking with industry provides you with opportunities to gain employment, advance your career and stay current with industry changes.

Conferences and workshops are an excellent way to introduce yourself to key industry contacts.

Follow these organisations on social media:

- > Allied Health Professionals Australia
- > SARRAH
- > Allied Health Assistants National Association

Consider these opportunities to find employment:

- > Send your resume to relevant businesses in your local area
- > Look for employment opportunities advertised on
  - the TAFE SA Jobs Board
  - online employment websites like Seek
  - the job board on your local Regional Development Australia (RDA) website

## CAREER SUPPORT

**Not sure where to start?** TAFE SA's Student Services can provide you with a range of career planning support including:

- > career planning
- > write a winning resume
- > how to respond to selection criteria
- > cover letters that stand out
- > preparing for job interviews

**To find out more, or to book an appointment, visit TAFE SA's Career Support Page: Career Support ([tafesa.edu.au](https://tafesa.edu.au))**
