# How to Guide

## Connect to Eduroam Wireless Network
### Apple iPhone/iPad

1. Open **Settings**

2. Select **Wi-Fi** (turn on if it is switched off)

3. Select **eduroam**

4. Enter the following and press **Join**:

   - Username: **your email address** – e.g. first.last@student.tafesa.edu.au

   - Password: **your TAFE SA network password**

5. You may be prompted with a certificate as shown below. Select **Trust**

Your device will now be connected to the eduroam network.
