

COVID-19 VACCINATION

Northern Adelaide Local Health Network in partnership with the TAFE SA – Salisbury Campus

Salisbury TAFE SA staff, students and their families are invited to attend a COVID-19 Vaccination event

TAFE SA – Salisbury Campus

16 Wiltshire St, Salisbury SA 5108

Monday 22 November 9am–2pm

Thursday 25 November 9am–2pm

COVID-19 vaccinations are offered free and only to those who would like to receive one – they are not mandatory.

Vaccination staff are able to assist on the day with translation in the following languages: Vietnamese, Dari, Nepalese, Spanish, Swahili and Chinese. Translated information in other language is also available on request.

With state borders opening up in late November now is an ideal time to get vaccinated against COVID-19 to protect yourselves and your loved ones.

Pfizer vaccine for anyone 12+ years (12-16 years require consent). First or second dose Pfizer available (must be 3 weeks minimum between doses). Please ensure you are not unwell or awaiting a COVID-19 test result and have not had another immunisation within the last seven days (eg: Flu Vax). Please bring your Medicare card (if you have one) and/or photo ID.
