APPLICATION

Please provide a written submission to the following criteria. In considering your response, separate each question to be answered independently and give examples where available demonstrate and provide context to your responses.

Aim to keep responses to 250 words or less per response:

- Why do you believe maintaining WHS standards is crucial in any work environment?
- How do effective WHS practices enhance the work environment?
- What are the potential impacts on an individual's family and the wider community if WHS procedures are not implemented in the workplace?
- Can you describe a situation where you applied or enhanced health and safety measures in your workplace.
- How do you believe this qualification will enhance your career and professional capabilities?
- What would it mean to you to be awarded this scholarship, and how would it assist you in achieving your goals?

Once you have completed your application, please email to:
whsscholarhip@tafesa.edu.au

Don't forget to include:

- A copy of this Application Form
- Written response to the Application
- Curriculum Vitae, including details of name, current and completed studies, work experience
- Details of two professional references
- Any other supporting documents you feel relevant to your submission
